

Knoll Receives Perkiomen Watershed Conservancy 2012 Environmental Award

Award Recognizes Outstanding Achievements in Environmental Sustainability at the Corporate Level.

Knoll has been awarded the 2012 Corporate Environmental Award by Perkiomen Watershed Conservancy, a “nonprofit organization founded in 1964 by local citizens to combat pollution in the Perkiomen Creek and its tributaries.”

The award, which recognizes those who work hard to protect and improve the Perkiomen Watershed Conservancy’s 362 square-mile watershed and its water quality,” recognizes the Company’s “outstanding achievements in environmental stewardship at the corporate level.”

“Woven throughout Knoll’s core business philosophy and operation are proactive care for the environment and sustainability. The numerous specific examples of your corporate practices in both East Greenville and companywide as outlined in the 2011 Environmental Health and Safety Report are strong evidence of your commitment,” noted the Perkiomen Watershed Selection Committee.

Knoll will be honored at the Environmental Awards Banquet on Thursday, October 25, 2012, at RiverCrest Golf Club and Preserve in Phoenixville, PA.
