

At Neocon, Herman Miller Group Presents All Together Now, an Exhibition Showcasing our Growing Global Family of Brands

At NeoCon 2019, Herman Miller presents *All Together Now*, an immersive exhibition exploring the expanding and nearly endless design possibilities of Herman Miller Group's growing global family of brands.

With recent and past brand acquisitions around the globe, Herman Miller has steadily grown its product offering and expertise, building on a legacy of timeless design and innovation. As a result, our family of brands has evolved into Herman Miller Group, which collectively offers a variety of products for the places people live, learn, work, and heal.

Member brands of Herman Miller Group include Colebrook Bosson Saunders, Design Within Reach, Geiger, HAY, Maars Living Walls, Maharam, naughtone, Nemschoff, and Herman Miller. *All Together Now* will feature a dynamic breadth of more than 450 authentic designs geared toward modern living, healing, learning, and working within the reimagined Herman Miller Chicago showroom.

Visitors to the exhibit will be invited on a journey of discovery as they move through eight thoughtfully curated, color-blocked vignettes. While diverse in look and feel, each tailored expression is united by our belief that any space worth inhabiting is born from human-centered design.

From a decadent lounge lined with red velvet and lit by a constellation of bubble lamps, to an indoor-to-outdoor workspace teeming with flora, to a healthcare environment with interactive technology and home-inspired touches that feel far from clinical, guests will be encouraged to engage with and rethink what the Herman Miller Group family of brands can offer. No matter the space, Herman Miller Group can outfit it with a unique array of product.

For more information on Herman Miller Group, visit hermanmiller.com/neoconpress or contact media_relations@hermanmiller.com.

About Herman Miller

Herman Miller is a globally recognized provider of furnishings and related technologies and services. Since its inception in 1905, the company has relied on innovative design to help people do great things.
