

Colebrook Bosson Saunders and BenQ Partner in Hong Kong

Colebrook Bosson Saunders (CBS) and BenQ have partnered for the first time ever to provide a special bundle of desktop monitor products. The world-leading product designer and ergonomic solutions provider, and the award-winning technology products manufacturer have joined forces to provide the ultimate workspace wellness option in Hong Kong.

Modern life, and the changes that have taken place in 2020 due to global health events, mean that many of us now spend even more time working and relaxing in front of computer monitors at home. The exclusive bundle, which is expected to be on offer for a limited time of three months, combines a BenQ monitor and CBS monitor arm for complete user comfort.
