AWARDS
WINNER

Zeeland, Michigan, November 14, 2024 -- Herman Miller is pleased to announce that the OE1 Sit-to-Stand Table designed by Sam Hecht and Kim Colin of Industrial Facility is a winner of the Archiproducts Design Awards, an international competition that celebrates excellence in global design.

[OE1 Sit-to-Stand Table](#) was recognized in the office category based on criteria including concept, design, innovation, and aesthetics. The Archiproducts jury—comprised of leading architects, designers, journalists, architectural photographers, and creative directors worldwide—honors products that by means of new materials, shapes, or functions are able to revolutionize and improve life quality today and tomorrow.

The OE1 Sit-to-Stand Table is a height-adjustable desk that delivers a warm, approachable design and can be curated in monochromatic expressions. Offered in three shapes—round, rectangular, and rectangular with wrap—the design includes a sturdy, single-column base, and a discreet power foot pedal to control height.

OE1 Sit-to-Stand Table was added to the award-winning Herman Miller [OE1 Workspace Collection](#) in November of 2023. The comprehensive collection includes agile, productivity-enhancing solutions designed to help people experiment with space, discover what works in the moment, and change rapidly for the future. Products within the collection include mobile tables, movable walls, height-adjustable workstations, storage trolleys, and more.

Archiproducts is a global source for architecture and design, including a catalog and community of brands, architects, designers, and professionals, and is committed to shaping the future of design through innovative tools and resources.

About Herman Miller

Over the last century, Herman Miller has been guided by a commitment to problem-solving designs that inspire the best in people. Along the way, Herman Miller has forged critical relationships with the most visionary designers of the day, from mid-century greats like George Nelson, the Eames Office, and Isamu Noguchi, to research-oriented visionaries like Robert Propst and Bill Stumpf—and with today's groundbreaking studios like Industrial Facility and Studio 7.5. From the birth of ergonomic furniture to manufacturing some of the twentieth century's most iconic pieces, Herman Miller has pioneered original, timeless design that makes an enduring impact, while building a lasting legacy of design, innovation, and social good. Herman Miller is a part of MillerKnoll, a collective of dynamic brands that comes together to design the world we live in. For more information, visit hermanmiller.com/about.
